Looking Ahead: School Year 2026–2027

We are getting ready for an exciting new school year! Our teachers are preparing classrooms, ordering materials, and planning special activities and field trips.

Please make sure your child is registered for the 2026–2027 school year and that all emergency contact information is up to date. Please also ensure that your child's required vaccinations are up to date.

The school provides most classroom materials. Information about optional personal supplies for older students will be available in the office and included in the registration packet.

We look forward to welcoming everyone back on August 17!

Read Today, Lead Tomorrow!

We encourage all our children to make reading part of their daily routine. Reading books and magazines is not only fun, but it also helps children build vocabulary, improve focus, develop writing skills, and learn about the world around them.

A few minutes of reading each day can make a big difference!

Uniform Reminder

Children are required to wear the complete school uniform each day unless the school announces a free-dress day or special event.

Please:

- Dress your child appropriately for the weather.
- Label all clothing with your child's first and last name.
- Check that your child has weather-appropriate uniforms and extra clothing as needed.

Uniforms for all weather conditions are available through the French Toast website.
